

## LONESOME STATION – TECHNICAL RIDER

**Lonesome Station** is Stephan alone onstage singing and playing acoustic guitar and looper through a guitar amp (Fender Twin).

<b>1</b>	<b>Acoustic Guitar</b>	<b>DI *</b>	<b>Comp</b>
<b>2</b>	<b>Guit Amp</b>	<b>SM57</b>	<b>Comp</b>
<b>3</b>	<b>Vocal</b>	<b>SM58/ Beta87</b>	<b>Comp</b>

\* The DI box must be connected right at the output of the guitar, **before the pedals**, in order to get clean and unlooped sound, which can be balanced with the **amp sound**.
